Re Arrears Due.

AUDIT OFFICE, OTTAWA, October 27, 1908.

SIR,—I have received your letter of the 24th instant, inclosing statement of arrears due on March 31 last, and yet unpaid.

On November 12, 1907, you wrote giving a list of five items amounting to \$1,773.65, which you considered uncollectable. You have omitted these from the statement now rendered. This, of course, you should not have done. No arrears can be written off without the authority of parliament. I am returning the statement to have these amounts added.

Presumably you considered the other arrears due as collectable. The amount was due by 33 different parties and firms and amounted to \$3,134.37, and but one item of \$30.70 has been collected. Two new names have been added with an indebtedness of \$663.33.

Five individuals in arrears for advances last year are still in arrears.

It is desirable that every care should be taken to prevent arrearages accumulating, and to collect those now existing.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture.

J. FRASER, A.G.

DEPT. OF AGRICULTURE, OTTAWA, November 11, 1908.

SIR,—I beg to acknowledge the receipt of your letter of the 27th ultimo, returning the statement of arrears due this department on March 31 last, and yet unpaid, which accompanied my letter of the 24th ultimo.

I have had the five items which were considered uncollectable added thereto in accordance with your request.

Further efforts will be made to collect those that are still considered collectable.

I am, sir, your obedient servant,

The Auditor General.

GEO. F. O'HALLORAN, *D.M.*

DEPT. OF CUSTOMS, OTTAWA, July 7, 1908.

SIR,—Referring to your letter of November 7 last, in the above matter, I have the honour to forward herewith statements of the debit and credit balances appearing on the revenue books of this department on March 31, 1908, with explanatory references.

The assistant commissioner, who was recently accountant of the department, reports on this matter as follows:—

'I may state that a number of the small balances—under the sum of \$10—are due, in my opinion, to faulty bookkeeping of years ago, as you will notice that there are practically no balances of this kind since the year 1884.

'With our present system of checking the cash as shown by the bank deposit receipts with F-1 statements prepared from the entries, there is no possibility of balances of this kind occurring.

'As a matter of fact, the credit balances amount to \$176.21, while the debit balances—leaving out those occurring on account of defalcations and by burglaries, &c.,—amount to only \$80.96; so that there is no reason why these small debit and credit balances should not be wiped out, as the latter exceed the former by \$95.25.

'With regard to the debit balances accruing through defalcations, burglaries and failure of banks, I can only say that there is no possibility of these amounts being recovered, and authority should be obtained to have them written off as uncollectable.'

I am, sir, your obedient servant,

The Auditor General.

JOHN McDUGALD, *Comr. of Customs.*

AUDIT OFFICE, OTTAWA, November 24, 1908.

SIR,—I have to call your attention to the large increase in the arrears due to your department on March 31 last, as compared with previous year, shown as follows:—

Timber dues—		1907.	1908.
Manitoba, Saskatchewan and			
Alberta.	\$ 6,257 88		\$ 8,077 47
British Columbia.	8,696 76		19,246 70
Grazing lands.	1,761 94		12,001 69
Coal lands royalty.	16,669 40		164,087 29
Coal lands, sales.	6,596 05		56,158 34
Mineral lands, sales.	54,184 42		155,205 84
Mining lands, sales.	1,110 83		4,352 30

In addition to the large increase in the amount due for coal lands royalty, I understand some companies are not making returns.

Please let me know what action you are taking in reference thereto.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. FRASER, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, December 3, 1908.

SIR,—I am directed to acknowledge the receipt of your letter of the 24th ultimo, in which you call attention to the increase in the arrears due this department on March 31 last, as compared with the previous year, in connection with timber, grazing and mineral lands. The department is in communication with all those in arrears in connection with timber and grazing lands with a view to having the amount outstanding paid at an early date. As the quantity of lumber manufactured during the year ending March 31 last, exceeded to a considerable extent the quantity manufactured during any previous year, and as a large number of new grazing leases were issued during the year, it might be expected that the arrears on March 31 last would be greater than on the 31st of March previous.

You will be advised under separate cover regarding mineral lands.

I am, sir, your obedient servant,

The Auditor General.

P. G. KEYES, *Secretary*.

DEPT. OF THE INTERIOR, OTTAWA, December 8, 1908.

SIR,—I beg to acknowledge the receipt of your letter of the 24th ultimo, calling attention to the large increase in the arrears due this department on March 31 last, as compared with the previous year, in connection with coal lands royalty, coal land sales, mineral sales and mining lands sales, and stating that you understand some of the companies are not making returns. You asked to be advised what action is being taken in reference to this matter.

In reply I am to inform you that the amount due on account of coal lands sales and mineral sales, both of which have reference to the sale of coal mining lands, on March 31 last, was \$211,364.18, and since that date payment has been made to the department of \$91,687.30 on account of such arrears. Additional payments it would appear will be made in the very near future, which will materially reduce the arrears on account of such sales.

The amount due on March 31 last on account of royalty on coal was \$164,087.29, and this amount has not been materially reduced on account of payments since made, although bonds for the payment of the amount due for royalty have, in some cases, been given. The companies indebted to the Crown for this royalty are incurring at the present time a very large initial expenditure in the payment of the purchase price of their lands, the installation of a plant for the efficient operation of the property, and the opening up of a mine, and they find it very difficult to make prompt payment of the royalty on the coal mined.

The several purchasers of coal mining lands sold subject to royalty are required to make periodical returns showing the quantities of coal mined, but it has been found very difficult to obtain prompt returns from these operators, and the whole matter, looking to the collection of the royalty and the prompt filing of returns showing the quantities of coal mined, is now being dealt with.

Interest at the rate of 5 per cent per annum is paid on account of all arrears on account of royalty and on account of the purchase of coal lands, and all persons in arrears have already made a sufficiently substantial payment on account, and in the majority of cases incurred a sufficiently large expenditure in opening up and equipping a mine, to absolutely insure the payment of the balance due either on account of royalty or purchase price. It is thought that as soon as the past harvest has been realized upon, large payments on account will be made.

I am, sir, your obedient servant,

The Auditor General.

P. G. KEYES, *Secretary*.

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, October 24, 1908.

SIR,—On November 11, 1907, you forwarded a statement of unsettled advances, amounting to \$6,114.52.

In your letter of the 22nd inst., you give a list of unsettled advances now due. This list does not contain any of the items in your statement of November, 1907. I have to inquire if these have all been settled.

I am, sir, your obedient servant,

The Actg. Dep. Min. of Marine and Fisheries.

J. FRASER, A.G.

AUDIT OFFICE, OTTAWA, October 16, 1908.

SIR,—In the statement of arrears due for fishery licenses, received yesterday, it is stated that Inspector A. C. Robertson, Barrington Passage, N.S., is in arrears for all licenses issued for the season of 1908, amounting to \$408.

No explanation is furnished. I have to ask what action has been taken in reference thereto. Is this officer under bond of a guarantee company?

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries.

J. FRASER, A.G.

MARINE AND FISHERIES DEPT., OTTAWA, October 19, 1908.

SIR,—Adverting to your letter of the 16th instant, in regard to the arrears on license fees by Inspector of Fisheries A. C. Robertson, of Barrington Passage, I may say that the department has been endeavouring to, all summer, have this officer forward returns, together with the bank deposit receipts on account of such fees; but up to the moment they have not been received.

The great amount of this money is deposited by the fishery overseers in the district of Inspector Robertson, and the deposit receipts in triplicate forwarded to him, to enable him to make a complete return on account of all licenses received.

It is hoped that complete returns will be received from this officer shortly. Otherwise it will be necessary for the department to take effective means to have a full accounting of the licenses made.

I am, sir, your obedient servant,

The Auditor General.

G. J. DESBARATS, *Act. D.M. M. & F.*

Buckingham, P.Q., 1906-7.. . . .	2,350 47
Hamilton, Ont., 1906-7.. . . .	61 04

I have to inquire what action has been taken looking towards the collection of these amounts.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence.

J. FRASER, A.G.

DEPT. OF MILITIA AND DEFENCE, OTTAWA, November 3, 1908.

SIR,—With reference to your letter of the 31st ultimo, inquiring with respect to arrears due by certain municipalities for aid rendered by the troops, I have the honour to inform you that, as regards the amounts due by the municipalities of Sault Ste. Marie, Sydney Mines and Buckingham, the Department of Justice has taken legal proceedings for the recovery of the amounts.

With reference to the amounts due by Low Township, P.Q., and Richmond, B.C., no steps have been taken, as the municipalities are poor ones, and it has been considered that it would be a hardship on them to insist upon a refund of the amounts.

As regards the small amount due by the city of Hamilton, an adjustment of the expenditure incurred by the troops being called out in aid of the civil power of that city was reached after much consideration and correspondence. This amount of \$61.04 was paid by the department after the adjustment had been reached, and it has not been thought to be worth while to re-open the question to obtain a refund of that amount.

I am, sir, your obedient servant,

The Auditor General.

AUG. FISET, Colonel, D.M.

AUDIT OFFICE, OTTAWA, October 5, 1908.

SIR,—In reply to my letter of August 28, I have received a statement of arrears due on account of slides and booms and rents.

I have to request you to forward, as soon as possible, statements of arrears due on account of telegraph revenue, and of the unaccounted advances to your own officials.

I am, sir, your obedient servant,

The Deputy Minister of Public Works.

J. FRASER, A.G.

AUDIT OFFICE, OTTAWA, October 27, 1908.

SIR,—According to the statement of arrears due received from your department, the amount due March 31, 1908, was \$165,605.33, an increase of \$11,430.93 over the amount due the year previous.

I inclose statement showing the increases on arrears due by the old tenants, the amount due by new tenants, the amount paid, the amount dropped, and the net increase and decrease.

I inclose a statement of the amounts dropped, for which please give explanation.

A proportion of the amounts due at each canal remain the same, but a large number are increased. The amount paid, though amounting to \$6,489.25, was made by a comparatively small number of tenants.

The result is that a large number of tenants at the several canals are increasing their arrears.

You will, no doubt, give the matter your early attention.

I am, sir, your obedient servant,

The Deputy Minister of Railways and Canals.

J. FRASER, A.G.

SESSIONAL PAPER No. 1

Re Intercolonial Railway—Arrears.

AUDIT OFFICE, OTTAWA, January 25, 1908.

SIR,—On October 11, 1907, you forwarded a list of the arrears due on March 31, 1907, and still unpaid.

A statement has recently been received of the balances in the several ledgers on November 30, 1907.

The following items appear in the former statement and not in the latter. How have they been disposed of?

S. S. Admiral.. . . .	\$2,347 33
F. W. Cunningham.. . . .	997 56
Chapman property.. . . .	1,179 00
Flood & Co.. . . .	25 50
Micmac Mining Co.. . . .	317 84
W. J. Hughes.. . . .	31 50
J. W. C. McConnell.. . . .	50 00
Geo. Skeffington.. . . .	25 55

The amount of arrears due on March 31, 1907, and unpaid on October 11, was \$273,013.07.

I wrote you January 11, 1907, calling attention to the large increase during 1905-6, \$80,422.64, inclosing a statement showing the details of the increases, some of which were new, and asking for explanation and what action was being taken in reference thereto. To this letter I have not received any reply.

It is desirable that the Public Accounts Committee should be asked during the present session to inquire into these arrears, and authorize that those that are uncollectable should be written off. With this view I have to ask you for a report, specifying those you consider uncollectable, with such explanations of each item as you may think desirable.

It would also seem proper that action should be taken to collect any that are collectable.

I am, sir, your obedient servant,

The General Manager, I.C.R.

J. FRASER, A.G.

AUDIT OFFICE, OTTAWA, November 26, 1908.

SIR,—According to the statements furnished by you, the arrears due have increased from \$273,013.07, in 1907, to \$375,015.34, in 1908, a difference of \$102,002.27.

These increases are principally placed under the heading of railways, though it includes amounts due by the Public Works Department and the Londonderry Iron and Mining Co.

The increases under the headings of steamboat companies and stations are trifling.

I inclose statements showing the increases and decrease under the headings of railways and individuals and firms.

The very few payments on account of the arrears due in 1907, and the large amount of the increases and new arrears, would seem to call for consideration.

Would it not be advisable to assign to some officer of your staff the duty of realizing such of these arrears as are not considered hopeless?

I am, sir, your obedient servant,

The General Manager of Government Railways.

SESSIONAL PAPER No. 1

Re Supreme Court Reports.

AUDIT OFFICE, OTTAWA, November 3, 1908.

SIR,—I have received your statement of arrears due on March 31 last, and still unpaid.

All the items on the statement rendered a year ago are still due, and an additional \$4 in the name of J. F. C. Haldane.

I have to inquire if any steps have been taken during the past year to collect these amounts?

I am, sir, your obedient servant,

The Registrar, Supreme Court.

J. FRASER, A.G.

THE SUPREME COURT OF CANADA, November 20, 1908.

DEAR SIR,—In reply to your letter of the 3rd instant, these amounts became due when the Supreme Court reports were being printed by the King's Printer. I have frequently written the parties, but have been unable to make collections.

All the amounts are now outlawed, except the one of J. O. Filteau, and I have written to some solicitors in Quebec inquiring if the amount can be collected, and have received a reply this morning stating that they are dubious of success.

I am, sir, your obedient servant,

The Auditor General.

a. The under-expenditure is due to the retirement by death, superannuation &c. of a number of officials and to filling the vacancies caused thereby with persons receiving smaller salaries. *b.* The expenditure depends upon the demands of trade and does not remain regular. *c.* This vote is for the purchase of sample metric sets for distribution to educational institutions. The stock on hand did not render it necessary to use but a small portion of the amount voted.

a Expenditure under-estimated. Owing to the change in the status of a number of offices which were raised to the rank of city offices and the establishment of free delivery by letter carriers at other places the expenditure for salaries and wages increased beyond the amount anticipated by the department when the estimates were prepared.

b Owing to the conditions that prevail in the Yukon Territory, the department might at any time be called upon to provide new mail service so that it was not thought advisable to reduce the vote of previous years.

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, September 25, 1907.

Re Experimental Farm Sales.

SIR,—In your letter of July 2nd, you stated that the delay in forwarding the returns from the Central Experimental Farm was on account of pressure of work in the Accountant's office, but you hoped in future returns and deposits would be made promptly.

Five months of the present fiscal year have expired, and so far, no returns or deposits have been received

The returns and deposits from the other Farms are also in arrears. The last received from Indian Head and Nappan are for May; from Agassiz and Brandon for April.

Your early attention is requested.

I am, Sir, your obedient servant,

The Deputy Minister of Agriculture.

J. FRASER, A. G.

DEPARTMENT OF AGRICULTURE, OTTAWA, Sept. 30, 1907.

SIR,—Immediately on receipt of your letter of the 25th instant, with regard to delay in making returns of Experimental Farms' Sales, I took the matter up with the Director of Experimental Farms.

I am now in receipt of a letter from him in which he states that 17 of the returns asked for by you were sent you on the 27th instant. These returns had been completed sometime previously, but had been laid aside and overlooked.

I am, Sir, your obedient servant,

The Auditor General.

GEO. F. O'HALLORAN, D.M.A.

AUDIT OFFICE, OTTAWA, October 7, 1907.

Re Experimental Farms Revenue.

SIR,—In your letter of September 30th, you stated you had a letter from the Director of Experimental Farms, stating that 17 of the returns asked for by me had been sent me on the 27th instant. No such returns have yet reached this office. Possibly that may have been forwarded to your Department.

The last return in connection with Experimental Farms Revenue received from your Department was on July 16th.

Your early attention is requested.

I am, Sir, your obedient servant,

The Deputy Minister of Agriculture.

J. FRASER, A.G.

DEPARTMENT OF AGRICULTURE, OTTAWA, October 7, 1907.

SIR,—I am in receipt of your letter of the 7th instant, in further reference to Experimental Farms Revenue.

The returns referred to in my letter of the 30th ultimo were, as you surmise, sent to this Department by the Director of Experimental Farms.

The accountant informs me that they will be forwarded to your office to-morrow.

Your obedient servant,

The Auditor General.

GEO. F. O'HALLORAN, D.M.A.

AUDIT OFFICE, OTTAWA, October 19, 1907.

Re Central Experimental Farm.

SIR,—The returns of Sales from the Central Experimental Farm for April, May, June and July have recently been received.

The deposits in acquittance of these returns were made as follows :

For April on July 12.
May on August 16.
June on October 2.
July on October 10.

The regulations issued by the Treasury Board call for a deposit daily when the receipts amount to \$25 ; and returns are to be made at least once a month. These regulations have not been adhered to and consequently the account is in an unsatisfactory condition.

The returns for August and September and deposits therefor should be furnished and the regulations more strictly observed in future. If they are not it is my duty to report the matter to the Treasury Board.

Might I ask you to give this case your personal attention.

I am, Sir, your obedient servant,

The Deputy Minister of Agriculture.

J. FRASER, A.G.

DEPARTMENT OF AGRICULTURE, OTTAWA, October 28, 1907.

SIR,—I am in receipt of your letter of the 19th instant in reference to the delay in making the returns of sales from the Central Experimental Farm and the deposits in acquittance of the same.

I have taken the matter up with the Director and the overdue returns will at once be furnished with the deposits therefor, and the regulations more strictly observed in the future.

Your obedient servant,

The Auditor General.

GEO. F. O'HALLORAN, D.M.A.

AUDIT OFFICE, OTTAWA, June 22, 1908.

Re Patent Fees.— Refunds.

SIR,—Referring to the list of cheques issued on account of Patent Fees refunds, cheque No. 2397 was issued on February 3rd, and cheque No. 2798 the following day.

What became of the intervening 400 cheques?

I am, Sir, your obedient servant,

The Deputy Minister of Agriculture.

J. FRASER, A.G.

DEPARTMENT OF AGRICULTURE, OTTAWA, June 23, 1908.

SIR,—I am in receipt of your letter of the 22nd instant asking what became of the 400 patent fees refund cheques between Nos. 2397 and 2798.

The cheques used on account of patent fees refunds are bound in books of 200 each and cheque No. 2397 of the 3rd February was the last cheque in one of these books. By inadvertance the book beginning with cheque No. 2798 was commenced the next day and the error not being discovered until several cheques had been written, it was decided to finish this book and then to commence the book beginning with cheque No. 2398. The first cheque in the last mentioned book was issued on the 2nd instant.

Your obedient servant,

The Auditor General.

GEO. F. O'HALLORAN, D.M.A.

AUDIT OFFICE, OTTAWA, February 8, 1908.

Re Collector's Bank Account.

SIR,—Your attention was called in April, 1901 to the practice followed of having cheques issued against the Collector's Bank Account, signed by the Collector only. At that time you did not think it practicable to have these cheques signed by two officials.

You know that all the cheques drawn by yourself as Commissioner against your Letter-of-Credit, are countersigned by the Accountant. If the practice is proper for your Department, it is at least equally so for the ports.

A clerk from this office who recently visited the Port of Montreal, discussed the matter with the Collector, and he considered it unobjectionable and would be pleased to have it done, if the cheque form was changed to suit.

I have to ask for your further consideration of this matter.

I am, Sir, your obedient servant,

The Commissioner of Customs.

J. FRASER, A.G.

AUDIT OFFICE, OTTAWA, February 26, 1908.

SIR,—I wrote you on the 8th instant in reference to the practice of having cheques signed by the Collector only, and that the collector at Montreal, when consulted on the matter, made no objection to have all cheques countersigned by the accountant.

One of my staff has since visited the Port of Toronto, and Mr. Bertram, the acting Collector considered that the Collector would have no objections to have all cheques countersigned by the Accountant.

I trust you may see fit to have this done in the future, by all Collectors having Bank accounts.

I am, Sir, your obedient servant,

The Commissioner of Customs.

J. FRASER, A.G.

DEPARTMENT OF CUSTOMS, OTTAWA, February 26, 1908.

SIR,—I have the honour to acknowledge the receipt of your letter of the 8th instant, in reference to the countersigning of cheques issued against the Account of a Collector of Customs.

SESSIONAL PAPER No. 1

The Department is still of the opinion that it is not practicable to have these cheques signed by two officials, as at some ports the Collector is the only officer to attend to clerical work.

The Collector is under Guarantee Bond to protect the Department from loss in the issue of cheques.

I am, Sir, your obedient servant,

JOHN McDOUGALD,

Commissioner of Customs.

The Auditor General.

AUDIT OFFICE, OTTAWA, March 9, 1908.

SIR,—I have received your letter of 26th ulto. in reference to the countersigning of cheques issued by the Collectors of Customs by the Accountant or other officer of the port.

You are of opinion that it is not practicable, as at some ports the Collector is the only officer to attend to clerical work. I would like to know at what Ports this is the case.

The principle of double signatures is laid down in the consolidated Revenue and Audit Act where it requires two signatures on all Letter-of-Credit cheques.

I have to ask your consideration of the idea of having Collectors' cheques countersigned at all ports where there is an additional clerk with the Collector.

I am, Sir, your obedient servant,

The Commissioner of Customs.

J. FRASER, A.G.

DEPARTMENT OF CUSTOMS, OTTAWA, March 28, 1908.

SIR,—Referring to your letter of the 9th instant, I have the honour to forward herewith a list, corrected to 1st September, 1907, showing 136 Customs ports open in Canada.

At 52 of these ports (marked + on list) there is not an additional Clerk with the Collector.

If the countersigning of Collectors' cheques be required as a general rule, it will, in my opinion, entail additional expense for officers, and cause frequent delays in the issue of cheques, owing to absence or changes of designated countersigning officer, without material advantage in other respects.

I am satisfied such countersigning would prove a vexatious arrangement outside of a few city ports.

Under the Order in Council of 14th June, 1875, the Collector of Customs is the Chief executive officer in his port, and is responsible for the collection of all moneys whether for Customs duties or special funds, the collection of which is assigned by law to the Customs Department, and being ex-officio the ruling officer at his port, the Collector has full power to direct and control all other officers placed under him, subject to Customs laws and regulations.

The matter is one which may, of course, be subject to further regulations by Order in Council.

I am, Sir, your obedient servant,

The Auditor General.

JOHN McDOUGALD, *Commissioner of Customs.*

AUDIT OFFICE, OTTAWA, February 6, 1907.

Customs Inspections

SIR,—According to your return corrected to December last there are in operation 132 Ports, 288 outports, and 192 preventive stations.

According to the returns so far received there have been inspected during the present fiscal year, 56 ports, 155 outports and 25 preventive stations.

I enclose a statement showing the work done in each Province and by each Inspector.

You will observe that in some of the provinces the work is far behind the proportion that should have been done, in the time, and some of the Inspectors have not made many inspections.

Do you get a return each month from each Inspector, stating the inspections made, the date, and after each, if found satisfactory?

How frequently do the Regulations call for inspections to be made?

The number of ports that have not been inspected calls for comment. I would assume that it is of the first importance that they should be inspected regularly, rather than the outports and preventive stations.

I am, Sir, your obedient servant,

The Commissioner of Customs.

J. FRASER, A.G.

DEPARTMENT OF CUSTOMS, OTTAWA, February 14, 1907.

SIR, — I have the honour to acknowledge the receipt of your letter of the 6th instant, respecting the Customs Inspector's examination of Customs ports.

In reply I am to state that it is the aim of this Department to have all Customs ports, outports and stations so inspected once a year. Owing to sickness at times, the Inspector may not be able to get over the whole of his District within the year.

The Inspector's reports in your hands commence from the 1st of July 1906, so that your comparison is only in respect of about six months work.

The Department does not call for a monthly statement of Inspections made by each Inspector, but requires the Inspection report to be forwarded by mail as soon as it is completed, and you are then furnished with the Inspector's special report for audit purposes.

In making their tour of Inspection, the usual course is for the Inspector to go over the work of one port and its outports and stations before proceeding to another port, so as to save time in travelling. I have considered that the outports and the smaller ports require more particular inspection than the larger ports, where there is division of work, enabling one officer to serve as a check on another.

I have the honour to be, etc.,

The Auditor General.

JOHN McDUGALD, *Commissioner of Customs.*

AUDIT OFFICE, OTTAWA, December 30, 1907.

SIR, — According to the reports furnished to this Office the following ports do not seem to have been inspected during the past twelve months:

Montreal, Que.,
Berlin, Ont.,
Fort William, Ont.,
Goderich, Ont.,
London, Ont.,
Port Arthur, Ont.,
Toronto, Ont.,

Brandon, Man.,
Winnipeg, Man.,
North Portal, Man.,
Regina, Man.,
Calgary, Alta.,
Edmonton, Alta.,
New Westminster, B. C.

I have to ask for an explanation why these ports have not been inspected, especially Montreal, Toronto and Winnipeg.

I am, Sir, your obedient servant,

The Commissioner of Customs.

J. FRASER, A.G.

SESSIONAL PAPER No. 1

DEPARTMENT OF CUSTOMS, OTTAWA, February 26, 1908.

SIR,—Referring to your letter of the 30th December, 1907, in the above matter, I find the following ports have been inspected, and that a report for Audit purposes sent to your office since your letter was written, viz :—

Montreal, P. Q.,

Edmonton, Alta.,

Toronto, Ont.,

London, Ont.

New Westminster, B. C.

The other ports in Ontario are now receiving attention, the delay in their inspection being due to the increasing volume of trade and to the illness of two of the Inspectors.

Another Inspector was added to the staff in Ontario last year.

The delay in the inspection of ports in Manitoba, Saskatchewan and Alberta was due to the illness of Inspector Young and to the increase in business.

An Inspector was appointed last year for Alberta and Saskatchewan. It is expected that he will be able to overtake the work during the current year.

The Port of Winnipeg is now undergoing inspection, and the other Ports of Manitoba will be visited by the Inspector as soon as possible.

I have the honour to be, &c.,

J. FRASER, A.G.

DEPARTMENT OF CUSTOMS, OTTAWA, February 26, 1908.

SIR,—Referring to your letter of 30th December, 1907, in the above matter, I am to point out that the following places are Customs preventive stations only, and that no reports for Audit purposes are supplied for these Stations, viz :—

Aspy Bay, N.S.,	Five Islands, N.S.,
Advocate Harbour, N.S.,	Port Greville, N.S.,
Apple River, N.S.,	Lower Andover, N.B.

These preventive stations, however, were visited in 1907, by Inspector Bremner.

Nova Scotia :— Port Mulgrave was inspected as per Report April 1907. Sydney Mines has been inspected since the beginning of 1908.

Quebec :— Esquimaux Point and English Bay, Anticosti, are in effect only Customs preventive stations. The Inspector was unable to visit these places in 1907, but intends visiting them this year.

Ontario :— The following outports appear to have been inspected since 1st January 1907, viz :—

Petrolia, December 1907,
Tillsonburg, October 1907,
Aylmer, January 1907.
Port Burwell, October 1907.

The Inspectors expect to overtake the inspection of the other Outports in Ontario referred to in your letter in a short time.

Manitoba :— The Outports of Moose Factory and York Factory, on the Hudson Bay, have not been inspected in 1907, owing to difficulty of access.

The other outports in Manitoba to which you refer, have not been inspected, in consequence of the illness of Inspector Young, who is now endeavoring to overtake the work.

Saskatchewan :— Saskatoon was inspected in December 1907. The Outport of Medicine Hat has been under inspection in 1907, but the inspection report is not yet complete.

British Columbia :— Rykerts was inspected in November 1907.

I am, Sir, your obedient servant,

The Auditor General.

JOHN McDOUGALD, *Commissioner of Customs.*

AUDIT OFFICE, OTTAWA, February 8, 1908.

SIR,—I have to inquire as to the inspection of outports and the supervision exercised by the Port under which they act.

The practice I understand, at some ports is, that all the original manifests are furnished and these are checked with the returns from the outports. Is the general rule followed? It seems desirable that it should be.

The return of the Inspector makes no reference to the manifests nor to unclaimed goods. Does the Inspector inquire into this point? If so, he should refer to it on his return.

I am, Sir, your obedient servant,

The Commissioner of Customs.

J. FRASER, A.G.

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, February 26, 1908.

SIR,—I wrote you on the 8th instant, in reference to the supervision of outports, by the ports under which they act.

One of my staff, who has since visited the Port of Toronto, informs me, that the original manifests received at the outports are not forwarded to the port, and that the checking or clearing of them depends on the Inspector.

Are you satisfied that this work is fully done by the Inspector?

Would it not be more satisfactory if the manifests were furnished to the ports, where they could be checked off every month, with the reports from the outports.

This I understand is the practice followed in the Province of Quebec.

I am, Sir, your obedient servant,

The Commissioner of Customs.

J. FRASER, A.G.

DEPARTMENT OF CUSTOMS, OTTAWA, February 26, 1908.

SIR,—I have the honour to acknowledge the receipt of your letter of the 8th inst. inquiring as to the inspection of outports and the supervision exercised by the port under which they act.

It is the general rule to hold the original manifests at the Outports to be checked there by the Inspector when making his inspection. The occasional practice of sending manifests from the outport to the chief port is not called for by any regulation of this Department.

It is part of the Inspectors' duty to examine the unclaimed list and the cancellation of manifests.

The question of referring to this on the return to the Audit Office for the next fiscal year will be taken up with the Chief Inspector.

I am, Sir, your obedient servant,

The Auditor General.

JOHN McDOUGALD, *Commissioner of Customs.*

DEPARTMENT OF CUSTOMS, OTTAWA, March 9, 1908.

SIR,—Referring to your letter of the 26th ultimo, with farther reference to the checking or clearing of outport manifests by Customs Officers at the chief ports, I am to state that it is the duty of the Inspector to examine the cancellation of manifests at the outports.

This is not the work of the Collector at the Chief Port, nor of his officers. This Department does not consider it advisable to shift the responsibility of checking the manifests from the Inspectors, as all the documents necessary to complete such check should be on file at the outport, and their removal from the outport would be an inconvenience to importers having business with the Customs in connection with them.

The Chief Inspector of Customs concurs in this view.

I am, Sir, your obedient servant,

The Auditor General.

JOHN McDOUGALD, *Commissioner of Customs.*

AUDIT OFFICE, OTTAWA, March 12, 1908.

SIR,—I have your letter of the 9th, in which you state your objections to having manifests received at outports forwarded to the ports.

You say that your Department does not consider it advisable to shift the responsibility of checking the manifests from the Inspectors. Have you any evidence that the Inspectors make a practice of doing so? Even so there is nothing to prevent them continuing to do so if the sub-collector were to keep a copy of the manifest.

Is the practice suggested not now observed by the Outport Collectors in the Province of Quebec.

I am, Sir, your obedient servant,

The Commissioner of Customs.

J. FRASER, A.G.

DEPARTMENT OF CUSTOMS, OTTAWA, March 20, 1908.

SIR,—Referring to your letter of the 12th instant, respecting the checking of outport manifests at chief ports, I am informed that the practice of sending outport manifests to the chief ports is not now observed by Outport Collectors in Quebec.

It is necessary that the *original* manifest remain on file at the outports for reference and for the Inspector's examination when making his inspection of the outport.

I am, Sir, your obedient servant,

The Auditor General.

JOHN McDOUGALD, *Commissioner of Customs.*

AUDIT OFFICE, OTTAWA, February 8, 1908.

Re Bonded Warehouses.

SIR,—I have to ask for information as to the inspection and taking of an inventory at the various bonded warehouses. Are there any Departmental regulations in reference thereto? Are returns furnished to the Department covering the inspection and stock taking? What inquiry do the Inspectors make into this matter?

I am, Sir, your obedient servant,

The Commissioner of Customs.

J. FRASER, A.G.

DEPARTMENT OF CUSTOMS, OTTAWA, February 26, 1908.

SIR,—I have the honour to acknowledge the receipt of your letter of the 8th instant asking for information as to the inspection and taking of an inventory at the various Customs bonded warehouses.

Under our regulations, the contents of these warehouses are required to be checked quarterly, and returns are furnished to the Department showing that this check has been made.

The Inspectors are also required to examine the records of such checking when making the usual inspection.

I am, Sir, your obedient servant,

The Auditor General.

JOHN McDOUGALD, *Commissioner of Customs.*

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, February 29, 1908.

Re Casual Revenue—Port of Charlottetown.

SIR,—On revenue return No. 89 of July 19th, 1907, \$95.50 came to account from the Port of Charlottetown, for contents of Cash box.

Please let me have an explanation.

I am, Sir, your obedient servant,

The Commissioner of Customs.

J. FRASER, A.G.

DEPARTMENT OF CUSTOMS, OTTAWA, March 6th, 1908.

SIR,—I have the honour to acknowledge receipt of your letter of the 29th ult. asking an explanation of the sum of \$95.50 credited in our revenue return No. 89 of July 19th 1907 as casual revenue from the Port of Charlottetown, P.E.I.

From our Collector's report in this matter it appears that Mr. Jas. Currie, late Collector of Customs at Charlottetown, placed in the custody of the late Cashier of that port, Mr. A. D. McLeod, a cash box which was found in the drawer of an old desk.

This cash box appears to have been placed there by Mr. Jno. P. Irving, who many years ago was clerk and acting cashier in the Customs at Charlottetown.

The amount of \$95.50 is made up as follows, viz:—

\$1.50 covers the difference between an amount deposited by R. Smith and the duties payable by him in connection with entry No. 2524 passed in November 1874.

\$92 00 covers cash received apparently in the same year from Murray Harbour, but there is no trace of the name of the party from whom this money was received.

\$2.00 covers portion of amount paid by Messrs. A. A. Macdonald Bros., of Georgetown, some time in 1875 for what purpose it is not stated. The balance of the amount paid by these parties, \$3, is represented by a bill of the defunct Bank of Prince Edward Island.

Owing to the lapse of time since the transactions occurred and the impossibility of tracing them it was deemed advisable to deposit the amount of the sums referred to to the credit of the Receiver General as casual revenue.

I have the honour to be, Sir, your obedient servant,

The Auditor General.

JOHN McDUGALD, *Commissioner of Customs.*

AUDIT OFFICE, OTTAWA, September 11, 1908.

Re Customs Revenue—Outport Thessalon under Sault Ste. Marie.

SIR,—When your inspector visited the Outport of Thessalon on July 28th, the sub-collector was short \$1,337.96,—over three quarters of his whole collections since April 1st last. This amount was made good by the sub collector, the last deposit being made August 22nd.

Did the Collector at Sault Ste. Marie report that this sub-collector was not accounting for his collection; if so, at what date?

Has this sub-collector been removed?

Would the Collector at Sault Ste. Marie not have had better supervision of the sub-collector if he had the manifests or the goods billed to Thessalon, or copies of them?

I am, Sir, your obedient servant,

The Commissioner of Customs.

J. FRASER, A.G.

DEPARTMENT OF CUSTOMS, OTTAWA, September 16, 1908.

SIR,—Referring to your letter of the 11th instant, respecting defalcation at the Outport of Thessalon, I am to state that the Sub-Collector's suspension was reported to this Department on the 31st July, 1908. He is still under suspension; the amount of his irregularities, so far as ascertained, has, however been made good. The Collector at Sault Ste. Marie did not report that this Sub Collector was not accounting for his collections.

The Inspector does not report any manifests suppressed this case, the irregularities consisting in holding over the entries and monies received on account thereof.

The Collector of Customs at Sault Ste. Marie would not be able to supervise the collections at Thessalon from the manifests or copies thereof, as he would not know from the manifests whether the goods were entered for duty or not.

During the period from 1st April to 1st August, 1908, the Sub Collector forwarded declarations on Form K 10 A to the Department which were untrue, being to the effect that the total amount of his collections was remitted to the Collector of Customs at Sault Ste. Marie.

I am Sir, your obedient servant,

JOHN McDUGALL, *Commissioner of Customs.*

Re Vouchers Short.

OTTAWA, September 29, 1908.

Your early attention is requested.

J. FRASER, A.G.

OTTAWA, November 30, 1908.

SIR,—With further reference to your letter of September last, and statement of the vouchers on account of Refund and Drawbacks 1907-08, which not having come to hand I beg to submit the following.

A number of vouchers have since been received, and in other cases duplicates have been provided, these are enclosed herewith.

Some of the vouchers have not yet been returned and I have again written to the ports requesting that they furnish them without further delay.

In some cases the cheques are being held, and in others the Collectors state that they are unable to find the parties, and cannot get vouchers receipted. Copies of these letters are enclosed herewith.

I have likewise prepared a copy of the missing vouchers with notations on the same, which I am also sending you, and upon receipt of anything further from the parties, I will communicate with you at once.

I am Sir, your obedient servant,

The Auditor General.

Re-Reduction in Revenue.

SIR,—I enclose a statement showing 14 ports at which the revenue during the 12 months of 1907-08, was less than the revenue during the nine months of 1906-07.

The reduction is so great at Barrington, N.S., Parrsboro, N.S., Dalhousie, N.B., Portage La Prairie, Man., Lethbridge, Alt., and Grand Forks, B.C., as to call for explanation.

The revenue at Barrington during 1907-08, was \$574.91 and the expenditure \$1,793.73, the revenue at Lockeport was \$126.59, and the expenditure \$801.60, the revenue at Parrsboro was \$963.67, and the expenditure \$1,826.85.

DEPARTMENT OF CUSTOMS, OTTAWA, November 27, 1908.

Re Reduction in Revenue.

SIR,—Referring again to your letter of the 5th instant, I have the honour to advise you that reports have now been received from a number of our Collectors, on the subject of reduction in the Customs Revenue for the 12 months ending 31st March last, as compared with the 9 months ending 31st March, 1907.

The Collector at Dalhousie reports that on the 18th July, 1906, he had an unusual entry for a cargo of steel rails, upon which the duty amounted to \$11,261.53. This accounts for the difference in revenue at his Port.

The difference at Portage la Prairie is accounted for by entries of construction material for the Grand Trunk Pacific Railway. On 12th September, 1906, duty paid on steel rails amounted to \$382,722.31. The construction headquarters were afterwards moved further west, and there was no such payment at Portage la Prairie during 1908.

The Collector at Barrington states that \$5,585 was collected on wrecked goods and wrecking material or plant during the nine months of 1907, but that in 1908 there was not a wreck of any kind that was dutiable in his locality.

The report of the Collector at Lethbridge is to the effect that the falling off is at the Outports and Preventive Stations, and that this may be accounted for by the quarantine regulations governing the importation of horses, which are prohibitory to a certain class.

At the Port of Parrsboro' large importations were made in 1907 by the Colonial Copper Co., but the works have been closed for more than a year. \$612 was collected on an Automobile in 1907, also duty on a number of gasoline engines; and the Collector states that the dull times helped to reduce their collections, hence the difference.

The Collector at Grand Forks reports that the difference in revenue was caused by the creation of Greenwood as a chief Port, and the placing of the Outports of Midway, Osoyoos and Keremeos under Greenwood, instead of under Grand Forks.

These explanations appear to satisfactorily explain the reduction in revenue to which you called attention.

I am, Sir, your obedient servant,

The Auditor General.

Payment to Henry Smyth, of \$5,462 50, Compensation for Loss owing to non-acceptance of Tender for Supplies in 1881.

AUDIT OFFICE, OTTAWA, August 28, 1908.

SIR,—I enclose herewith copies of correspondence with the Department of Indian Affairs in reference to a payment made by that Department out of Letter-of-Credit to the Sovereign Bank of Canada, Attorney, for \$5,462.50 to compensate Henry Smyth for loss owing to non-acceptance of his tender for Indian supplies in 1881.

I took exception to the payment on the ground that there was no Parliamentary authority for the same and suggested that an item should be placed in the Supplementary Estimates to cover the amount. This apparently has not been done and I am, therefore, unable to allow the amount to be charged in the appropriation accounts.

I am referring the matter to the Treasury Board as required, by Sec. 60 of the Consolidated Revenue and Audit Act, and have to request that the Board determine in what manner this item shall be entered in the appropriation accounts.

I am, Sir, your obedient servant,

The Secretary, Treasury Board.

J. FRASER, A.G.

AUDIT OFFICE, OTTAWA, Nov. 21, 1907.

SIR,—Manitoba and North West cheque No. 32, for the current fiscal year, is for a payment of \$5,462.50 to Henry Smyth for "Compensation for loss amounting to \$2,500.00 together with interest at 6 per cent (\$2,962.50) for 19 years and 9 months from the 1st January, 1887, to the 31st March, 1907, owing to non-acceptance of tender for Indian supplies in 1881." The following note is appended to the voucher in support of this payment—"Provided for in the Supplementary Estimates, 1907-08, under General Expenses for Manitoba, Saskatchewan, Alberta and the North-west Territories, Vote No. 483."

Kindly give me a full explanation of this payment. I cannot for a moment consider that this item has been sanctioned by Parliament, as the estimate in question reads simply "To provide a further amount for General Expenses". On account of the peculiar nature of this claim and the long standing of the same, I think that Parliament is entitled to full explanation of the same before being asked to sanction it. I think that this claim should be a special item in the estimates to be presented to Parliament at the coming Session. In the meantime, kindly obtain an Order-in-Council authorizing this payment, and at the same time give me a full explanation of the same.

I am, Sir, your obedient servant,

The Deputy Sup. Indian Affairs.

J. FRASER, A. G.

DEPT. OF INDIAN AFFAIRS, OTTAWA, Jan. 7, 1908.

SIR,—I have to acknowledge receipt of your letter of the 21st November last regarding the payment to Mr. Henry Smyth of \$5,462.50 for "Compensation for loss amounting to \$2,500.00 together with interest at 6 per cent. (\$2,962.50 for 19 years and 9 months from the 1st January, 1887, to the 31st March, 1907, owing to non-acceptance of tender for Indian supplies in 1881." In reply I beg to attach the complete explanation of the payment which was before Council when the item was passed for insertion in the Estimates and before the House while in Committee of Supply.

Your obedient servant,

The Auditor General.

J. D. McLEAN, *Secretary*,

SESSIONAL PAPER No. 1

SUPPLEMENTARY ESTIMATES, DEPT. OF INDIAN AFFAIRS, 1907-08.

Manitoba and the North-west Territories.

To provide an amount \$2,500.00 with interest (\$2,962.50)
 for nineteen years and nine months from the 1st
 July, 1887, to 31st March, 1907, to compensate Henry
 Smyth for loss owing to the non-acceptance of his
 tender for Indian supplies in 1881.....\$5,462.50

The claim of Mr. Smyth for compensation for loss as above stated was thoroughly examined in 1899 by Reginald Rimmer, then Law Clerk of the Department, who recommended that \$2,500 with interest, should be allowed in full settlement of the claim. The facts are that in 1881 Mr. Smyth having forwarded his tender for Indian supplies in the North West Territories, it was accepted; but afterwards for some reason not now apparent he withdrew his tender after having incurred expenses, by reason of the acceptance, amounting to \$4,500. In 1887 Sir John Macdonald agreed to pay him \$2,500, with interest in full settlement; and in 1894 Sir John Thompson renewed the promise. However these arrangements were frustrated as both the Premiers died before their promises could be implemented. In view of these facts and from the finding of the officer above mentioned it is proposed to pay this claim with interest.

See precis on following page.

Henry Smyth's Claim arising out of his tender for Indian Supplies in 1881.

Precis of Mr. Reginald Rimmer's Report, dated 12th July, 1899.

The claim presented on the part of Mr. Smyth is that in 1881 he tendered for Indian supplies in the North West Territories, that his tender was the lowest; that it was accepted by the then Superintendent General, Sir John A. Macdonald; that after acceptance he withdrew his tender at the request of the Superintendent General and upon the latter's agreement to repay Mr. Smyth's actual expenditure incurred in making arrangements to carry out the contract and a reasonable sum for damages to be subsequently agreed upon, that from 1882 to 1887 Mr. Smyth was unable to press his claim as he was a member of Parliament during that period, that in 1887 a claim for \$4,588.15 was presented by Mr. Smyth as the amount of damages he alleged that he had suffered; that after protracted negotiations with Sir John MacDonald he in 1887 and again in 1890 agreed that the Government should pay to Mr. Smyth \$2,500 in settlement of his claim and that he would have a sum put in the Estimates for the purpose; but this arrangement was not fulfilled owing to the death and illness of Sir John MacDonald; that in 1894 Sir John Thompson, then Premier, inquired into Mr. Smyth's claim and renewed Sir John MacDonald's agreement to pay \$2,500 and further agreed to pay interest on this sum at 6 per cent per annum from 1887; that Sir John Thompson died before effect could be given to his agreement by the amount being placed in the Estimates. Mr. Rimmer found that the real question to be decided was not whether payment of the claim could possibly be avoided upon legal ground, but whether the tender was accepted and the arrangements for its cancellation and subsequently for the payment of a consideration were in fact made. There is no doubt that Mr. Smyth tendered, and there is good reason to believe that his tender was accepted. There is evidence to show and it is considered reasonable to believe that Mr. Smyth's tender was withdrawn at the request of Sir John MacDonald upon the terms of the agreement alleged by Mr. Smyth. The evidence consists of statutory declarations from persons who were aware of the circumstances. There is also evidence to show that in 1887 Sir John MacDonald offered to compromise the claim at \$2,500 in full. Statutory declarations corroborate Mr. Smyth's testimony in regard to the terms of compromise. There is nothing in the Department to contradict the declarations, whereas the papers bear out the contention of the claimant. The Declaration filed contain evidence that Sir John Thompson promised to pay \$2,500 and interest from 1887. A file of the Department

shows that Mr. Daly, as Superintendent General, decided not to admit the claim, and that Sir John Thompson concurred in the decision after he had gone over all the papers. "This decision was reached in February 1893, and it does not follow that Sir John Thompson did not prior to his death in December, 1894 subsequently determine to settle the claim upon the basis alleged. The declarations filed tend to show that his decision was reached within a short time prior to his death". As all Mr. Smyth's papers bearing on his claim were handed to the Hon. J. C. Patterson, who was to interest himself in the matter, which papers were lost or mislaid while in his possession, Mr. Rimmer suggested that Mr. Patterson be asked concerning his knowledge of the transaction in which it is alleged he took part, and "that unless he is able to produce all letters and papers left with him by Mr. Smyth Parliament be asked to vote \$2,500 or such additional sum, if any, as the Minister decides should be allowed for interest, in full settlement." On submission of the matter to Mr. Patterson he was unable to produce the papers, but corroborated the main facts as set forth in the evidence submitted by Mr. Smyth.

AUDIT OFFICE, OTTAWA, January 20, 1908.

SIR,—I beg to acknowledge receipt of your letter of the 7th instant (file No. 39,593) in reply to mine of November 21st last, regarding a payment of \$5,462.50 to Mr. Henry Smyth for "compensation for loss together with interest, owing to non-acceptance of tender for Indian supplies in 1881." After perusal of your letter I find that I am unable to recede from the position taken by me in my letter of November 21st last, viz., that this claim should be made a special item in the estimates presented to Parliament. I have, therefore, to request that a specific vote for this claim be asked from Parliament during the current fiscal year, as unless this amount is so voted, I shall be unable to allow it to be included in the Appropriation Accounts for the current fiscal year.

I am, Sir, your obedient servant,

The Secretary, Dept., of Indian Affairs.

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, October 1, 1907.

Re Sale of Law Stamps.

SIR,—Chapter 69, 3 Edward VII., respecting the Registrar of the Supreme Court, which gives him the rank of a deputy minister and a salary of \$4,000, provides that he shall give his full time to the public service, and shall not receive any pay, fee or allowance in any form in excess of the amount provided in the Act.

Since October 26th, 1906, the Registrar has been drawing a salary of \$4,000 provided by this Act.

I observe that you still allow him a commission of five per cent on the amount of law stamps used in Supreme Court. Is this not a contravention of the provisions of the Act?

I am, sir, your obedient servant.

The Deputy Minister of Inland Revenue.

J. FRASER, A.G.

DEPARTMENT OF INLAND REVENUE, OTTAWA, December 19, 1907.

SIR,—Referring to your letter of October 1 last respecting the commission of 5 per cent allowed the Registrar of the Supreme Court in connection with law stamps supplied him, I beg to enclose a copy of the opinion of the Department of Justice to the effect that the objection raised by you is well taken.

The department will furnish stamps to the Registrar as suggested by the Deputy Minister of Justice.

I am, sir, your obedient servant.

The Auditor General.

W. J. GERALD, D.M.I.R.

DEPARTMENT OF JUSTICE, OTTAWA, November 2, 1907.

SIR,—In reply to your letter of the 17th ult., No. 94480, I have the honour to state that in view of Section 16 of the Supreme Court Act I am of opinion that the objection taken by the Auditor General to the payment of a commission to the Registrar of the Supreme Court for the sale of stamps is well taken. Up to the present time I understand that Mr. Cameron has had to buy the stamps with his own private funds, subsequently recouping himself by the sale of the stamps. As he will not be paid a commission in the future, some arrangement should be made to advance him a certain amount of stamps to be accounted for after he sells them.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

E. L. NEWCOMBE, D.M.J.

AUDIT OFFICE, OTTAWA, October 1, 1907.

Re Guarantee Fund.

SIR,—During the fiscal year 1906-7, \$147.38 came to account as contributions from the outside service to the Guarantee Fund, and this amount was paid out to sundry guarantee companies.

Of the seventeen divisions in Ontario only the officers at seven contributed to this fund.

All the divisions in Quebec contributed except Sherbrooke.
Halifax, Pictou and Charlottetown contributed nothing, nor Victoria and Dawson.
I have to ask for an explanation. Are the officers at divisions not contributing,
not under the bond of a guarantee company?

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. FRASER, A.G.

DEPARTMENT OF INLAND REVENUE, OTTAWA, October 9, 1907.

SIR,—I beg to acknowledge the receipt of your communication of the 1st instant respecting certain contributions, from the Outside Service, to the Guarantee Fund and requesting to be advised why in the seventeen divisions in Ontario only the officers at seven contribute to this fund.

In reply I beg to state that the particular sum referred to is made up of deductions from the salaries of temporary employees and that wherever such collection is not made in any division it is due to the fact that there are no temporary employees therein.

All officers in the Outside Service are under the bonds of some one of the authorized guarantee companies.

I am, sir, your obedient servant,

The Auditor General.

W. J. GERALD, D.M.I.R.

AUDIT OFFICE, OTTAWA, October 12, 1907.

Re Weights and Measures Revenue.

SIR,—The Weights and Measures revenue collected at Dawson during 1905-6 was \$419.15; during the 9 months to March 31, 1907, \$57.85. This amount was collected as follows:—In July, \$9.40; in August, \$2.20; in September, \$35.25; in October, \$11. Nothing came to account for the five subsequent months.

The expenditure for the 9 months amounted to \$979.07, made up as follows: Inspector's salary, \$749.97; travel and transport of weights, \$211.60; cartage \$8; tools, \$9.50.

The travel and transport of weights in 1905-6, when the receipts were so much larger, was less than during 1906-7.

I have to inquire if you have satisfied yourself that your inspector is performing his duties.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. FRASER, A.G.

AUDIT OFFICE, OTTAWA, October 15, 1907.

New Brunswick..	2,275 57
Nova Scotia.....	1,648 02

SESSIONAL PAPER No. 1

The small amount collected in the Maritime Provinces, especially in Nova Scotia, suggests the question, whether the inspectors in those provinces are attending to their duties. The revenue at Pictou was \$311.45, at Cape Breton, \$454.20. During two months there was no revenue from Pictou, and during three months none from Cape Breton.

I assume the revenue from the province of Saskatchewan is included under Manitoba.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. FRASER, A.G.

DEPARTMENT OF INLAND REVENUE, OTTAWA, November 13, 1907.

SIR.—I beg to acknowledge the receipt of your communications of the 12th and 15th ult., relative to Weights and Measures revenue. As respects the revenue from Weights and Measures inspection in the Yukon it must be remembered that the number of weights, measures and weighing machines in use are limited as compared with the older portions of the Dominion.

The small revenue derived from the Weights and Measures service in the Maritime Provinces is due to the fact that the commercial centres are smaller than in the larger provinces, that the volume of business does not necessitate the use of as many large scales and that the fees available are necessarily less in amount.

The absence of revenue during two or three months does not necessarily imply neglect of duty on the part of inspectors. At certain seasons of the year it is practically impossible for inspectors to travel and they are compelled to await favourable weather conditions.

I also beg to advise you that as the inspection periods cover two years, and are calculated on the calendar year, it is not proper to use the reports of the fiscal year as a basis of comparing revenue collected. The accompanying statement, prepared by Mr. Doyon, will best serve as a means of comparison of revenue and from which it will be noted that in all the provinces of the Dominion there has been a marked increase of revenue.

The revenue from Saskatchewan has, in the past, been included in the division of Winnipeg, but is now shown in connection with the division of Calgary.

I am, sir, your obedient servant,

The Auditor General.

W. J. GERALD, D.M.I.R.

AUDIT OFFICE, OTTAWA, November 14, 1907.

Re Warehouse Returns on Spirits.

SIR,—In your report, pages 66 and 67, there is shown a statement of the warehouse returns for the nine months ended March 31, 1907.

In this statement there is entered the number of gallons of spirits remaining in warehouse at the beginning and close of the nine months.

In the case of six divisions the quantities agree with the Collector's returns.

In the other divisions the Collectors' returns show less remaining in warehouse than your report.

I inclose a statement showing the differences. How are they accounted for?

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. FRASER, A.G.

DEPARTMENT OF INLAND REVENUE, November 15th, 1907.

SIR.—I beg to acknowledge the receipt of your communication of the 14th instant respecting an apparent difference in the balance of spirits in warehouse at the end of March 31, 1907, as shown on pages 66 and 67 of the report, and as made up from the returns of the collectors of the different Inland Revenue divisions.

In reply thereto I beg to advise you that the difference referred to was made up of spirits in transit between the various divisions on the 31st day of March.

I am inclosing herewith copy of a statement made at the close of each quarter showing quantities in transit at that time. The statement referred to was prepared early in April and shows the transactions at the close of the previous quarter.

I am inclined to think that instead of charging up the receiving division with the quantity debited to it, and which at the end of the quarter has not been warehoused in that division, it would be preferable to show this quantity as being actually in transit between divisions; however, the practice now followed has been in existence for a great many years.

I am, sir, your obedient servant,

The Auditor General.

W. J. GERALD, *D.M.I.R.*

AUDIT OFFICE, OTTAWA, June 20, 1908.

Re Adulteration of Food.

SIR.—I wrote you March 14, 1906, in reference to the variations in the revenue from adulteration of food, and asking for a copy of the regulations, tariff, &c., governing this revenue, but I was not favoured with any reply.

The revenue collected in 1905-6 amounted to \$2,405.50; in nine months of 1906-7 to \$743.25; in 1907-8 to \$148.25. Why are the receipts so variable?

I assume that you have means of determining that all the fees that should be collected are collected; and that all collections are brought to account. No returns are furnished this office to enable us to do so.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. FRASER, *A.G.*

DEPARTMENT OF INLAND REVENUE, OTTAWA, June 22, 1908.

SIR.—I beg to acknowledge the receipt of your communication of the 20th instant requesting to be advised with reference to the variation in the revenue from the adulteration of food.

In reply I beg to advise you that as the revenue arises solely from fines imposed, and the demand for the cost of collecting and analysing samples of food found to be adulterated, there can be no standing estimated revenue nor should the revenue of any one year bear any relative proportion to that of any other year.

The sums collected are by orders issued from this department; they are so collected by the different Collectors of Inland Revenue and are included in the monthly statement, G 2, which is regularly supplied you.

I am inclosing you a copy of the Adulteration Act, and you will find the scale of costs in the second schedule thereof. Please see also Section 17, subsection 2.

I am, sir, your obedient servant,

The Auditor General.

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, June 10, 1908.*Re Excise Revenue Refunds.*

SIR,—During the fiscal year 1907-8, the refunds on malt ex-warehoused for consumption amounted to \$105,291.23, being 5 per cent of the duty paid.

I have to ask for the statutory authority for this refund.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. FRASER, A.G.

DEPT. INLAND REVENUE, OTTAWA, October 23, 1908.

SIR,—I beg to acknowledge the receipt of your communication of the 10th June last, asking under what statutory authority the refund of five per cent was made in connection with malt ex-warehoused for consumption.

In reply thereto I beg to call your attention to the provisions of paragraph (a) of section 222 of the Inland Revenue Act. I am also inclosing for your information a copy of the order in council referred to in this subsection, which I trust will put the matter clearly before you.

I remain, sir, your obedient servant,

The Auditor General.

W. J. GERALD, D.M.I.R.

AUDIT OFFICE, OTTAWA, October 29, 1908.

SIR,—I am in receipt of your letter of the 23rd inst., in reply to mine of June 10 inquiring as to the statutory authority for the refund on malt ex-warehoused for consumption.

You refer me to paragraph (a) of section 222, Inland Revenue Act.

This paragraph seems to provide for a refund under two headings: (1) On malt solely used for the production of spirits when no other material is used; (2) on malt used in manufacture of malt extract, or other similar medicinal preparation approved by the department.

There would seem to be room for question that this section conveys authority for making a refund on malt ex-warehoused for consumption, and I purpose submitting the matter to the Justice Department.

The order in council which you inclosed is clear enough, but if not based on statutory authority is of no force.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. FRASER, A.G.

INLAND REVENUE DEPT., OTTAWA, October 30, 1908.

SIR,—I am in receipt of your letter of the 29th instant, in which you state that there is room for question that section 222, paragraph (a), of the Inland Revenue Act, conveys authority for making a refund on malt ex-warehoused for consumption.

I do not well see how you can possibly come to the conclusion arrived at, for if you will read the first five lines of the paragraph quoted you will observe that the rate of duty on malt is 1½ cents per lb., subject to the provisions of the order in council of the 7th February, 1891. This order in council is the one that grants the refund of 5 per cent. However, it might be well to submit the matter to the Department of Justice and ascertain if the law is defective.

I remain, sir, your obedient servant,

The Auditor General.

W. J. GERALD, D.M.I.R.

AUDIT OFFICE, OTTAWA, June 11, 1908.

Re Defalcation at Edmonton, Calgary Division.

SIR,—I have to-day received the revenue returns for February and March.

The return from Calgary for March shows a defalcation of \$6,918.44 by Harbottle, who, I understand, was deputy collector at Edmonton.

I have to ask how this officer came to be so much in arrears. When was the office at Edmonton last inspected?

In your letter of April 1, 1907, you state that the system of your department requiring daily deposits and the transmission of all entry papers to Ottawa, renders it most difficult, if not impossible, for any collector to defraud the revenue.

You furnish to this office the inspectors' returns of the warehouses. Though you have repeatedly been asked for the inspector's returns on the cash accounts of the collectors, none have been furnished.

No reports of any kind are furnished of the inspections of the deputy collectors' offices.

Was this officer under guarantee, and if so, has the company been called on to make good the defalcation?

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. FRASER, A.G.

INLAND REVENUE DEPT., OTTAWA, October 26, 1908.

SIR,—I beg to acknowledge the receipt of your letter of June 11 last, respecting a defalcation of \$6,918.44 by N. F. Harbottle, Deputy Collector of Inland Revenue at Edmonton.

In order that you may fully understand the case, I am sending you copies of all correspondence connected therewith, I am also sending you a copy of the inspector's last two reports of the inspection of that district prior to the defalcation.

I am of the opinion that this correspondence will place you in possession of the facts more clearly than by any detailed explanation that I could give.

I remain, sir, your obedient servant,

The Auditor General.

W. J. GERALD, D.M.

AUDIT OFFICE, OTTAWA, November 3, 1908.

SIR,—I have received your letter of the 26th inst., inclosing copy of the correspondence in reference to the defalcation at Edmonton.

The defalcation amounted to \$6,918.44, made up of payments for duty as follows:—

Revillon Brothers (4) amounting to.	\$3,120 25
Hudson Bay Co. (3) amounting to.	1,894 94
H. Pangunelo (3) amounting to.	1,544 31
E. W. S. Co. (1) amounting to.	358 94

This defalcation was made possible by the deputy collector, through misrepresentation, having the cheques made payable to himself. It is not clear from the correspondence at which bank, the Imperial or the Bank of Montreal, these cheques were cashed.

You gave a list of cheques to the Deputy Minister of Finance, requesting him to find out if they were cashed, and if so, if no suspicion was aroused in the mind of the

SESSIONAL PAPER No. 1

manager as to the peculiar nature of the transaction. Some of these cheques were made payable to the Imperial Bank and some to the deputy collector. There does not seem to have been any similar inquiry as to the actual cheques making up the defalcation.

I understand these cheques are in your department, and if so, I would like to see them.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. FRASER, A.G.

AUDIT OFFICE, OTTAWA, June 22, 1908.

Re Revenue Accounts.

SIR,—The divisions generally show a more or less proportionate increase of the revenue for the 12 months of 1907-8 as compared with the revenue for the nine months of 1906-7. However, the following divisions show a decrease:—

Excise revenue—Stratford.
Weights and Measures—St. John.
“ —Nelson.
Gas inspection—Hamilton.
“ —Kingston.
“ —Nanaimo.
“ —New Westminster.

As you no doubt have made inquiry in reference to these decreases, I have to ask for an explanation.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. FRASER, A.G.

AUDIT OFFICE, OTTAWA, November 27, 1907.

Re Distillery Returns.

SIR,—The returns from the distilleries are no doubt examined and checked in your department, though they do not bear evidence of it.

Please explain how the quantities are verified under the headings of ex-warehoused; for removal; for transfer and for consumption.

Your report shows in some cases the quantity manufactured greater than the returns; and the quantity in process at close of the period shows the same excess. Possibly this difference is made up by the surplus which is not entered up in the returns until after the expiration of the year. Would it not be preferable to have the report agree with the returns?

The fusel oil destroyed during the year is entered up in the succeeding year's report. As the return shows the quantity destroyed each month, why not take credit for it the same month.

In addition to the legal deficiencies, there are other deficiencies paying duty. How is it determined that duty is paid thereon? Are these deficiencies included under the heading of 'entered for consumption' in your report?

I have to ask that the reports of the Inspector of Distilleries should be forwarded to this office.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. FRASER, A.G.

AUDIT OFFICE, OTTAWA, May 11, 1908.

SIR,—I have received lately from your accountant the distillery returns for the fiscal year 1907-8, but without the bottling returns. Please forward them.

The returns of your collectors bear the initials of the examining officers of your department.

These distillery returns are not so initialled and bear no evidence of having been examined in your department.

I have had no reply to my letter of November 27, last, in reference to distillery returns.

In that letter I asked, among other things, that the reports of the Inspector of Distilleries should be forwarded to this office.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue.

J. FRASER, A.G.

AUDIT OFFICE, OTTAWA, March 24, 1908.

Re Electricity Inspection Act, 1907.

SIR,—The Electricity Inspection Act, Chap. 14, Sec. 10, 6-7 Edward VII., provides that each contractor must procure a certificate of registration for every generating plant operated, and shall pay for such certificate the fees prescribed by the Governor in Council.

Is the Governor in Council authorized under this section to abolish all fees for these certificates, and to direct that they shall be issued free of charge?

I am, sir, your obedient servant,

The Deputy Minister of Justice.

J. FRASER, A.G.

DEPARTMENT OF JUSTICE, OTTAWA, April 10, 1908.

SIR,—In reply to your letter of the 24th ultimo, I have the honour to state that in my opinion it is competent to the Governor in Council under section 10 of this Act to refrain from prescribing fees for certificates of registration, or having imposed such fees to rescind the order or regulation imposing them.

I am, sir, your obedient servant,

The Auditor General.

November 27, 1907—*Re* Distillery returns.
